

Group Referrals

Thank you for referring a group to Tamarack Resort! It will surely be a rewarding experience to refer an associate to the beauty and personalized service of Tamarack. We are truly honored that you are an advocate of the resort.

If the group you have referred is visiting for the **first time**, Tamarack would like to extend a special gratitude. Upon the group's payment of their bill in its entirety, Tamarack Resort will credit your Club account with **2%** of the group's total spending.
